

WILSON TIMBERS' SEPTEMBER NEWSLETTER

DPR HARDWOOD

Wilson Timbers carry the highest quality DPR hardwood made from specially selected low shrinkage high durable hardwood species. DPR is planed with a smooth surface and 'pencil rounded' edges. Using DPR products will speed up construction by eliminating most preparation work. DPR products are available for use as framing, sub-floor framing, lintels, rafters, battens, and posts. They are particularly popular for decks, exposed joists and pole home framing.

Just a reminder to all builders. You can advertise on our website for free. If you are interested please contact the office on 07 3277 1988.

For the DIYers looking for a builder to help them out this is the perfect way of checking out some incredible builders and the work they have done. The

Wilson Timbers can supply your hardwood cladding and decking pre-oiled all round with Feast Watson Traditional oil. Pre oiling these products will help protect the timber and ensure you will have a superior result in the long term. It will save money and time by having the boards oiled by us.

builder's information is on there as well as some pictures of previous projects.

Just a reminder that we supply the DeckMaster system that is not only Secret Fixed but also End Matched. A faster, stronger and more durable deck gives the home owner peace of mind. Combining innovative products such as the tiger claw installation gun, stainless steel clips, scrails and deckbone joiners brings together the ultimate concealed decking system. All timber decking is pre-oiled with Feast Watson Tradition Timber Oil and supplied to a standard and better grade.

So why not retain the beautiful surface of your new decking project with the no nail DeckMaster decking system?

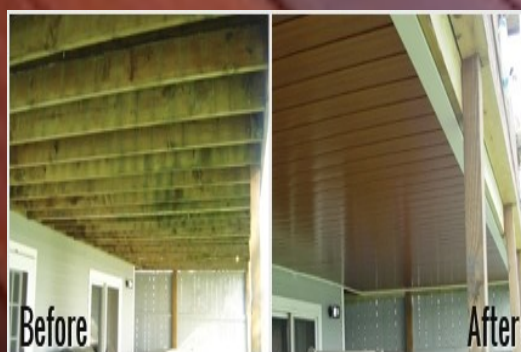

WHATS NEW??

Wilson Timbers website has had a face lift. To check it out go to www.wilsontimbers.com.au

Inside out is a specially designed and pre-engineered ceiling system that transforms the unsightliness of the underside of your deck into a desirable and usable outdoor living area all year round. Inside out panels channel water away from your home even during the harshest summer rain storm. Wilson Timbers currently have this product in White at our Moorooka yard. We can order other colours in if required however there is a lead time of up to 10 weeks.

Just a reminder that our new look Wilson Timbers' website has all the up to date prices. So why not jump on line and register if you haven't already done so and start your quoting & ordering.
