

PRESSURE WASHER RANGE

ITI is proud to partner with Michelin High Pressure Washers, offering the market a premium range of high-pressure cleaning solutions. The range includes 4 models from DIY to heavy duty trade use. All models come with a 3-year limited warranty.

MPX16E

- Ideal for DIY Use
- Power consumption: 1600w
- Max Pressure: 1800 PSI
- Flow rate 420 l/h
- 5m Electrical Cable & 5m High Pressure Hose
- Water Inlet Device with Filter
- Built-in Accessory Storage
- Includes: Trigger gun, lance extension, 5m high-pressure hose, adjustable and rotary jet wash nozzles, and a 0.4L foam lance bottle kit.

Product code: MIWASHMPX16E

MPX19EH

- Ideal for light duty trade Use
- Power consumption: 1900w
- Max Pressure: 2030 PSI
- Flow rate 460 l/h
- 5m Electrical Cable & 6m High Pressure Hose
- Water Inlet Device with Filter
- Built-in Accessory Storage
- Includes: Trigger gun, lance extension, 6m high-pressure hose, adjustable and rotary jet wash nozzles, and a 0.4L foam lance bottle kit.

Product code: MIWASHMPX19EH

MPX25EHDS

- Ideal for medium duty trade Use
- Power consumption: 2500w
- Max Pressure: 2465 PSI
- Flow rate 500 l/h
- 5m Electrical Cable & 8m High Pressure Hose
- Water Inlet Device with Filter
- 30% water and energy savings features
- Includes: Trigger gun, lance extension, 8m high-pressure hose, adjustable and rotary jet wash nozzles, and a 0.4L foam lance bottle kit.

Product code: MIWASHMPX25EHDS

MPX30EHB

- Ideal for Heavy duty trade use
- Power Consumption: 3000w
- Maximum pressure 2600 PSI
- Flow rate of 600 l/h
- Induction motor
- Innovative Double Speed System
- 30% water and energy savings features
- Includes: Trigger gun, 8m hose, adjustable and rotary jet nozzles, and a 0.4L foam lance bottle kit for versatile cleaning applications.

Product code: MIWASHMPX30EHB
