

WHY TREX?

Over 20 years Trex® has built a global reputation as the leading wood-alternative decking.

UNPARALLELED BEAUTY

With a high-definition, natural wood grain pattern, Trex® decking is engineered with a low-sheen, high-traffic technology to last decades longer than alternatives.

ENVIRONMENTALLY-FRIENDLY

Trex® is built upon green principles and values. Our decking is made of 95% recycled materials.

HASSLE FREE

A wash with soap and water or pressure hose is the only maintenance needed thanks to Transcend shell technology.

- Will not rot, stain or fade
- Rich, deep palettes
- Low maintenance
- Superior style and beauty
- Third generation recycled product
- 50 year fade and stain warranty

New EXTENDED Warranty!

50 YEAR WARRANTY

Trex® stands behind the beauty and durability of our decking by offering a 50-Year Limited Residential Fade and Stain Warranty

PERFECTION by design

Trex® decking is incredibly easy to install, leaving no painting, staining, splintering, or rotting to worry about. Ever.
